

Presenting the NEW look
EFFLEURAGE 2

So good there is even a sequel! Effleurage 2 is a further improvement on the original. This model has a stylish new appearance with all the fantastic functionality and features you expect from Imedics quality range.

The Effleurage 2 is so advanced, that it has been designed to mimic a REAL massage! Extensive research and testing in Japan has enabled us to create an impressive humanized massage feature with this unit.

Effleurage 2 has the favorite functions from the original including shiatsu, petrissage, and selected Swedish massage, with lots more! Try it today!

Imedics ... an investment in well-being
