

Ambience

Massage and music
therapy for physical and
mental harmony

Relaxation

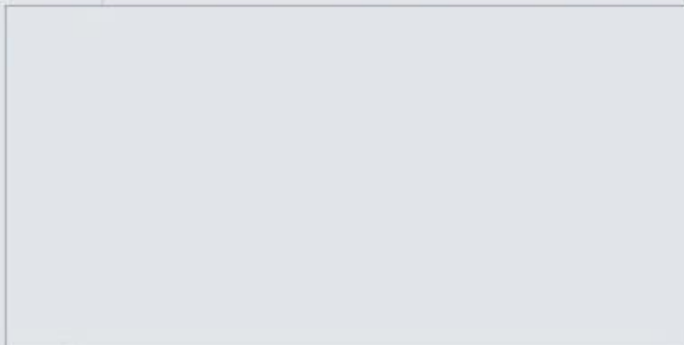

Relaxation

A luxurious and significantly advanced massage chair that provides all the traditional treatments of shiatsu, tapping, kneading, rolling etc; but now with the added benefit of a synchronized "massage to music" facility.

Immerse yourself in this ground breaking technology and enjoy both the physical and aural relaxation this chair provides.

Massage and music therapy for a new alternative in achieving physical and mental harmonic balance.
